

T V T S BULLETIN

Winter 2014

Hi and welcome to the winter bulletin.

You have guessed it - subs are due! Same fantastic value as last year at £70 per individual member or £105 for family membership (member and child/spouse). Please send payment to The Sec.

As per club rules subs are due on 1st January. (If you wish to make a donation to club funds please add it to your remittance). Payments by standing order will be confirmed by Hon Treasurer - but you will need to check with your bank it is for the correct amount! Please note: you will not be able to pay at the AGM/Awards night so make sure you have paid beforehand. Any Probationary member who has joined after 1st October 2014 does not have to pay for 2015.

Payments received after 31st January will incur a 25% late payment charge.

2015 membership cards will be available for collection at the AGM/Awards night on 5th February 2015 held at Redcar Borough Park Bowls Club, Thwaites Lane (next to the old Redcar range) Redcar racecourse. Start 7.30pm

I would like to take this opportunity to thank those willing volunteers who performed a truly magnificent task on the refurbishment of Moorsholm range this year during the extended closed period - especially those few who attended midweek on their own initiative. The range looked fantastic, let's try and keep it that way. Please tidy up before you leave. Cardboard backing panels and target stakes always wanted, just leave in the bottom hut.

We seem to have someone attending Moorsholm who is using high powered ammunition on the steel targets. Not only is this gross stupidity and reckless vandalism but is also dangerous and illegal. The range certification does not allow for high muzzle energy ammo to be used! The effects of this ammunition can be seen on the damaged steel targets, some have been shot through completely.

It may not be a club member who is visiting Moorsholm and using inappropriate ammunition but we can guarantee that if it is a club member then we will cancel their membership immediately and inform the police why we have done so. Do you know who is responsible? Miss-use of club equipment will not be tolerated. This practise will stop immediately, anyone found to be miss-using any range equipment will be severely reprimanded. Please contact any committee member if you have any information.

Thanks to the efforts of Ron Benson the following are confirmed full bore rifle dates for 2015

10 January	Black Beck	RCO = P. Cooper
7 February	Whipperdale	RCO = R. Frankland
7 March	Deerpark	RCO = R. Benson
4 April	Whitfell	RCO = K. Hart

With the prestigious facility of Lawson Way nearing completion, 2015 will require a very committed and dedicated committee to lead our great club ever forward. Please, if you are nominated only accept if you are prepared to contribute. Just being on the committee is not enough. You must be prepared to lead by example and run / help run club competitions, this includes attending work parties.

AGM / Awards Night, Thursday February 5th

Please show your support and attend the AGM / Awards night.

Boxing Day Fun Shoot = Due to several requests the Sec will be running a 22 rifle fun shoot at Moorsholm, start around 9.45, so put on your Christmas jumpers and wellies and come on down.

GOOD LUCK, GOOD SHOOTING AND HAVE A MERRY CHRISTMAS!
